

Quail Creek Newsletter

August 2011

End of Summer Pool Information: Springfield schools resume on Thursday, August 25. The pool hours will remain 10:00 – 9:00 p.m.; however, guards will only be on duty after school from 4:00 – 9:00. The last day the pool will be open is Labor Day, Monday, September 5. We have had seven exceptionally diligent lifeguards working this summer. Our thanks to them, to our head lifeguard, Brandon Cederblom, and to resident volunteer, Scott Menzel, for a job well done. Keeping our children safe is the goal. It is not always an easy thing to do.

Dogs in Pool/Courts Area: QCPOA members have notified the Board of Directors that two different people had dogs unleashed inside the fenced area of the pool. On page 4 of the directory under Recreational Facility Rules, it states in Item 4 that "... **pets are not allowed in the pool area or on the courts.**" Also, the Covenants state under Article VIII, Section 3 "**Pets shall not be allowed loose or unsupervised on any part of the Properties and walking of pets shall be on a leash...**" Dog owners are very good at picking up dog waste, and this is appreciated by those who walk and property owners.

Fall Garage Sale: For those who are interested in having a garage sale and need time to get ready, it is scheduled for Saturday, September 17. The Christian Foundation will pick up anything leftover at approximately four o'clock at your curb.

Volunteers for Dental Event: The date is September 22-24, 2011 at the Fairgrounds E-Plex. Register at www.modental.org/momom Missouri Dental Association (Missouri Mission of mercy) or call 573-634-3436. Check July Newsletter for additional information or the website.

Welcome to our Neighborhood: From Colorado Springs Joseph and Mary Ann Stechschulte have moved into 4443 S. Quail Creek. Their home phone is 417-823-9009. They are retired and we are happy to have them. Please add them to your directory.

Neighborhood Watch: Two residents have reported that their **door bells** have been rung late at night and very early morning hours. This could be activity by mischievous children or someone checking to see if anyone is at home. Beware and stay safe.

It's illegal to operate golf carts on city streets. Several residents have reported seeing young, unlicensed drivers with children passengers doing this here in Quail Creek during both day and evening hours. This is not only dangerous for them but also for any motorist they might encounter. When witnessing this happening, the Springfield police say to call 911 immediately!

Board of Directors: The next board meeting will be at the home of John and Donna Howerton on Tuesday, September 6, at 7:00 p.m.
