

Quail Creek Newsletter

June 2011

Pool: The lifeguards are there for the safety of swimmers. No children 11 years of age or under will be allowed in the pool without adult supervision. Pool rules are listed in the Directory and on a poster at the pool...The WIFI internet at the pool was connected on 6/8/2011. The Password is 4205094205...If any residents are interested in swimming lessons, call Brandon at 861-0449. Brandon is our lifeguard supervisor and lives at 4712 Woodpointe.

Grounds: Jerry Webster reports that courts have been sealed and repainted and should be in good shape for awhile. A new volleyball net has been installed and is getting some use. Most of the trees have had new mulch placed around them. The irrigation system seems to be working well, and if you notice any area not getting enough water, let Jerry know. The fountain had two coats of waterproof paint to prevent water leaking through brick and mortar on the waterfall. Thanks to all who helped paint. The motor fan broke and was repaired. The censor that allows water to be added and starts the pump went bad, was cleaned, and it is working. AC Electric is looking for a replacement censor, and we may need to replace the big pump motor in the not-too-distant future.

Neighborhood Watch: Chair Dale Penn says, "One of the reasons most often listed for Neighborhood Watch is Disaster Preparedness. I know everyone has followed recent events concerning the disaster in Joplin. I am not sure there is any way to really prepare for a tornado of that magnitude. But every person in a household should know the plan YOU have for where to go in the house and what to do in the event of a tornado warning. Although many people died in Joplin, thousands more survived by taking simple precautions and following their own disaster plan. Let's hope we never have to use our disaster plans here in Quail Creek."

Quail Creek Stitches: Recently constructed 92 red heart pillows to be used by the patients (mainly cardiac care) at Cox Health Systems. These pillows are held tight to their chests after open heart surgery to give support when they cough and sneeze. Stitches include: Carolyn Benton, Donna Carriveau, Linda Clary, Shirley Cook, Carolyn Dixon, Teresa Goldhoff, JoAnna Jones, Linda Moneymaker, Rosemary Temple, and Sharon Watkins.

Congratulations: To our residents, **Jessica Bowman and Andrea Parker**, who were on the Catholic High School Girls Soccer Team that won State for the second year in a row. Great going, girls!

Board of Directors: Lisa Highley, 4779 Turnberry, started a Facebook group account for Quail Creek residents who are interested in joining the group. Use her email, turnberry@mchsi.com for questions and RSVP about a Turnberry Block Party she and Duane are hosting Saturday, June 18, at 6:00 p.m.

July Ice Cream Social: The date is Tuesday, July 12, 7:00pm, at the pavilion. This is one cool get-together that we all enjoy. Come on down! Hospitality Committee is our host. If you can bring home made ice cream, let Chair, Linda Moneymaker, 882-5211, know. Snacks welcome.

Board Meeting: July 11, 7:00 PM, at the home of Bob and Carol Scott.

June Tuesday Morning Get-Togethers at the Pavilion 10a.m. to 11a.m
