

Quail Creek Newsletter

November 2009

YARD WASTE PICKUP: The last date scheduled for yard waste pickup this year is Monday, November 30.

REMINDER: Decorating at the pavilion is set for Saturday, November 28, at one o'clock. If there is bad weather, we will do it on Sunday, November 29, at one o'clock. Please put this on your calendar and come to the pavilion and help make it beautiful for the Christmas season.

CHRISTMAS HOME DECORATING CONTEST: We take pride in having a beautifully decorated subdivision at Christmas time. It is time to start planning your decorations for participation in our annual Christmas home decorating competition. A ballot will be included with the December Newsletter to vote for your choice. Decorating should be completed by December 10. Judging will be done December 12 and designations for First, Second, and Third place put in the winning yards. Let's make our neighborhood sparkle!

IN THE NEWS: Once again our Kickapoo tennis champs, **Carlee and Mackenzie Rozell**, 1227 Cardinal, achieved outstanding success by winning the State Doubles Championship in an exciting match October 24, at Cooper Tennis Complex. Our congratulations to Mackenzie, a sophomore, and Carlee, who graduates this year, on their achievements. Kickapoo senior, **Ian Kennedy**, 4711 Woodpointe, enjoys all sports but excels in soccer at Kickapoo. He is a member of the Springfield Soccer Club that won State Cup. Ian is committed to attend William Jewell University next year and will play soccer along with his academic work. Congratulations, Ian, and our best wishes for a successful four years. **Our young people make us proud!**

WELCOME TO TWO NEW HOMEOWNERS: John Paul (JP) and Marti Morgan have moved into 1157 W. Woodhaven. Their phone number is 827-2703. They have two baby boys, Jackson Price and Silas Paul. Their emergency number is 887-0730; and Ed and Peem Munsell who chose 4328 S. Quail Creek for their new home. Their home phone is 417-343-5075. The emergency number is 417-848-9996. Ed is the electrical engineering manager for Siemens. Please add these new neighbors to your Directory.

BOARD OF DIRECTORS: A three-year contract for trash service has been awarded to Allied Waste to begin January 1, 2010. Pick-up service will remain the same (Monday and Thursday). There will also be options on an individual basis for year-round Recycling pick-up and Yard Waste pick-up from April 1 to November 30. The optional services will be billed directly to the homeowners who choose the additional services. Additional information will be provided along with your annual statement in early December. Dues for 2010 will be \$360.00. The next board meeting is December 1 (7p.m) at Howertons.

SIGNS: Usually it is only a "For Sale" sign that appears in yards in our subdivision, but roofing and renovating companies don't seem to be able to resist the temptation to advertise their company by putting up their signs. As owners, we need to tell them that we don't do that here in Quail Creek and please remove them. Section 17 of our Covenants deals with Signs.

***** *Happy Thanksgiving* *****
