2015 Annual Homeowners' Meeting!

Tuesday, February 24, 7:00 PM

Library Center, 4653 S. Campbell, in the Auditorium

A business meeting including 2014 expenses – and the budget for 2015 will be held.

Board of Directors will be elected – Call any board member to get your name on ballot.

(Two members of present board are resigning)

Hospitality: A big welcome to our new homeowner at 4710 S. Parkhill, Jose Luis Cano. His Phone number is 563-639-9783. Please add to Directory. Our sympathy to the family of Bettie McQuillen. Bettie lived at 4691 Turnberry and passed away September 14. She will be missed.

Dues Statement: The annual statement is mailed December 1 and **due January 1** of each year.

Yard Waste: The last date for pickup this year is Monday, November 24.

Reminder of Holiday Trash Service: When a holiday (Thanksgiving, Christmas, New Years) falls on Monday or Thursday (our regular days) pick up is the NEXT day (Tuesday or Friday).

This and That: Much has been accomplished during this year in our subdivision. Our flowerbeds have never been more beautiful. The pavilion was used many times for parties. With excellent maintenance from our pool chairman and lifeguards, many of us, especially the children, had a **safe** wonderful place to spend the hot summer days. The tennis, volleyball and basketball courts were used. Thankfully, the fountain is in rebuilding process and is sure to last us many years to come. It and the flowerbeds make us known throughout the Queen City of the Ozarks. In August we were surprised by the rezoning issue. The final vote of Springfield City Council could have been more in our favor, but it certainly could have been more hurtful and disappointing. Thanks to the Board, Grounds, Hospitality, and all who have kept our neighborhood a pleasant place to live.

Board of Directors: The next meeting is January 13, 2015 7:00p.m. at Barbers.

Holiday Decorating: To participate in our traditional home decorating contest, plan to have the decorating done by December 10, vote for your favorites, and place the ballot in the QCPOA mailbox across from the fountain **by December 12** (stamp not necessary).
