Please add our new neighbors to your Directory.

Allied Yard Waste Service: Our yard waste program began April 1 and will end the last Monday in November which is November 29.

Pets Running Loose: This is not only dangerous to the animals but our Declaration of Restrictions, Covenants and Conditions, Article VIII, Section 3 states: "Pets shall not be allowed loose or unsupervised on any part of the Properties..." Check it out!

Christmas Decorating at the Pavilion: The date selected is Saturday, November 20, at one o'clock. Anyone who can help, please come down. Your help will be appreciated.

Home Decorating Contest: It is traditional for us to show our Christmas spirit by decorating our homes for the season, and we will again have our Christmas home decorating competition. A ballot will be included with the December Newsletter to vote for your choice. The decorating should be completed by December 12. Judging will be done on December 14 and designations for First, Second, and Third place put in the winning yards. Let's make our neighborhood sparkle!

Grounds: The Pavilion has been winterized and everything put away for the winter. The fountain is closed, drained, and cleaned. The bricks are being checked for cracks and sealed. The irrigation system is also ready for winter, and the cable company has repaired everything they broke during their project and a few things they didn't break.

Board of Directors: The next Board meeting will be at Troy & Beth Kennedy's home on Monday, December 6 at 7:00 p.m.
