

# Quail Creek Newsletter

September 2009

**Garage Sale:** Our fall subdivision garage sale is Saturday, September 19, 2009. The Christian Foundation will pick up whatever you have left over and placed at the curb in the afternoon around four o'clock. They will leave a receipt. It is good to place a sign that says "For Christian Foundation" with the items as we have had pickups by unknown individuals in the past. Our next garage sale will be held the third Saturday in May 2010.

**Flowerbed Committee:** Please contact the Flowerbed chairpersons if you have plants that you would like to donate for the common area flowerbeds. Late September is the time to use pre-emergent herbicide "Gallery" to prevent henbit (fast-growing plant w/tiny purple flowers) from showing up in the spring. Trim crepe myrtles back in October. Other fall gardening tasks include: dividing perennials, clearing garden refuse from gardens, fertilizing the lawn and controlling weeds, and planting Spring bulbs. Get more information about Fall Gardening Tasks from the Extension office website: <http://extension.missouri.edu/explore/agguides>.

**Hospitality Committee:** We welcome to our subdivision Heather and Jon Dollard at 1216 W. Beekman. Their phone numbers are 603-661-4557 and 603-867-6611. Jon is an environmental engineer/admin. at Aqua Terra Enviromental and Heather is at MSU in the office of Admissions Solutions, Inc. Please add them to your Directory.

**Grounds Committee:** Have you noticed that the railing down at the creek over Quail Creek Avenue has been painted a pretty green (that happened because of a homeowner's suggestion) and that the teeter-totter seats have been replaced.

**Board Meeting:** The next board meeting will be at 7:00 p.m. on Monday, October 12, 2009, at the home of Joe and Dawn Brozovich.
