Fall Garage Sale, Saturday, September 15

Grounds Chairman: Jerry Webster is stepping down as chairman of this committee. For many years he has voluntarily provided a great deal of his time and expertise in maintaining the care of our subdivision. We very much appreciate his efforts and are happy to report that he will remain as a member of the grounds committee. Anyone who is interested in taking over the grounds chairman position may call Jerry, 631-7741, to find out what the job entails.

Allied Trash Service: It is time for the three year contract for trash service to be renewed. The Board of Directors has received three options from our supplier, Allied Trash Service. They are listed below. After reviewing the options, each household may show the one they find most desirable by circling that option on the survey form and placing it in our QCPOA mailbox, 4205 S. Quail Creek, which is across from the fountain **by September 17, 2012.**
