

Quail Creek Newsletter

September 2013

Hospitality: Tom and Jackie Turnage have been personally visited and welcomed to our subdivision. They purchased the home at 4739 S. Woodpointe. Their home telephone number is 417-887-7199 and their second number for emergency use is 417-425-1847. Tom has chosen to retire and Jackie works for MetLife. They have lived in Springfield for thirty-one years, and we are happy to have them making Quail Creek their home. Please add them to your Directory.

Pavilion Reminder: The pavilion may still be reserved for parties until October 31 by calling the Scott Menzel residence at 889-0882.

Facebook: Our facebook page is up and operational: To use: **Quail Creek Subdivision Property Owners** Two homeowner volunteers, Pat Plumery (pplumery@gmail.com) and Rhonda Penn (pennfamily5@hotmail.com) will be administering the website. Postings can be sent to them (such as – items for sale, lost and found items, lost and found pets), so “like us” on Facebook. A link is also being added to our website, www.qcpoa.com

Grounds Committee: So far this year the common areas have used 1269 CCF of water. This is 949,212 gallons. This is the total of all four water meters and is close to the normal

Flowerbed Committee: We continue to hear good comments from visitors in the neighborhood about how beautiful our flowerbeds are and what a nice impression they make as they come into our subdivision. "Thanks" to all our volunteers and homeowners who are so willing to spend their time working on the beds.

Holiday Decorating Committee: Thinking about the upcoming holidays and seeing a discount offer for decorations, thirty new red bows have been purchased to be used when decorating the fenced area around the pavilion for the Christmas season. They will replace the worn out ones we have used for at least the last ten years. Decorating at the pavilion and fountain is scheduled for the weekend of November 23 and 24. Hopefully, Mother Nature will cooperate, and we will have nice weather to work. We want to show our celebration of the holiday season by making our subdivision sparkle.

To Stop Vacation Delivery of Newspaper and Mail: To put a hold on your Springfield News-Leader go to <https://ssl1.gmti.com/springfield/secure/icon/subscriber.html> You will need to create a login and password so other people can't manage your newspaper subscription for you. You can put a hold on your U.S. mail by going to: <https://www.usps.com> Click on “Manage your mail” – “Hold Mail” and fill in the form. This will be faster and easier to do than going to the post office and filling out a card to stop mail. This information may also be found on our website, www.qcpoa.com.

Board of Directors: The next board meeting will be at 6:30 p.m. October 8, 2013, at the home of Dale Penn.
